

CONSENT/ RELEASE FORM

University of Greenwich, Creative Professions and Digital Arts, Stockwell Street,
London SE10 9LS

I am a student on a Digital Arts graduate course, and I have to produce a short film as part of my coursework.

The short film I am currently working on is about mental health, specifically the experience of a panic attack.

With your consent I would like for you to be involved. Below is a brief description of what we would like to film and how you will be involved and a rough indication of the time involved:

I will be filming you walking down the light tunnel at Kings Cross. There will be a lot of up-close shots focusing on facial expression, but also some long shots and full shots. The shoot would take about 3 hours on the 20th of December 2020. After looking through the footage there might be the need to recollect a few days later for another 3 hours of shooting, either on the 27th/28th or 29th of December depending on availability.

The material will initially be used as part of my coursework but may also be viewable online and/or distributed to festivals and associated media. The material will not be used in a derogatory way.

Production/Assignment description: a simulation of a panic attack, raising mental health awareness.
